3 September 2015

Dear Colleague

**Membership of Public Libraries Western Australia Inc.**

Thank you for your support of Public Libraries Western Australia Incorporated over the past 12 months. It is your ongoing and active support that helps the Association to represent public libraries in Western Australia and at the national level. Additionally, your contribution helps to support the strategic direction of the Association as well as the professional development of the library profession and ensures we remain engaged and committed to a strong and bright future for our industry.

The Association and its members work on your behalf on a number of state and national committees, has many working groups and sub committees that assist in the development of public library services and seeks to actively lobby on behalf of WA public libraries. In the year ahead PLWA is looking forward to completing the Visioning work, developing and encouraging emerging leaders, creating a marketing and communications plan to assist all libraries. We will also commence planning for our biennial conference, as well as continue negotiations towards a new Framework Agreement. We are also looking forward to our continued work with the State Library and State Library Foundation to align public libraries more closely with the Kay Poustie Scholarship. Other activities will include developing a stronger Love2Read presence in WA to leverage this national campaign, and an upgrade of the PLWA website.

We believe these forward activities reflect our members' current interests.

Please find attached your renewal notice for the 2015-16 membership year. The membership fees have been increased by 2.5% (or CPI), reflecting the decision endorsed by the membership at the Annual General Meeting. Details of PLWA membership rates are provided below and the subscription invoice is attached to this letter.

**Membership Rates for 2015/16**

Population	Membership fee
Under 1,000	\$108.00
1,000 – 49,000	\$162.00
Over 50,000	\$377.00

If you have any questions please contact either myself or the PLWA Treasurer by email or phone.

I look forward to working with you over the next 12 months.

Yours sincerely

**Debra Summers**
